Fun & Flirty Halloween!

Ahoy Matey!!

Supplies:

White broadcloth for top bodice and sleeves, ½ yard
 Black broadcloth for top midriff, ½ yards
 Red broadcloth for skirt, 1 ½ yards
 Black tulle netting for underskirt, yards
 Black broadcloth for underskirt, ½ yard
 Grommets and grommet tool
 ¾" non-roll elastic, 2 yards
 Gold cord for lace
 VELCRO® Fabric Fusion brand hook and loop fastener, 5/8 yard white
 1 sheet white fun foam
 1 sheet black fun foam
 VELCRO® brand mask kit-base, or craft store mask base
 VELCRO® brand hook and loop fasteners, Sticky Back™ squares, white
 Sequins by the yard, 2 yards black
 Glitter, black, red, silver, white
 Craft glue

Pirate Top:

Cutting:

- Cut upper bodice piece from white broadcloth, lower bodice pieces from black broadcloth.

Construction:

Follow basic top instructions, but before stitching lower center front bodice and lower side front bodice pieces, create this tab insert:

- Cut 2, 4" x 6" pieces from black fabric
- Fold each piece in half lengthwise and stitch ½" seam at each end. Trim corners and turn right side out, press.
- Insert each tab piece between center front and side bodice pieces, matching raw edges, placing finished edge of tab ½" below upper raw edge of lower bodice piece.
- Punch 5 grommets at equal distance down each length of tab piece.

Continue creating top following basic top instructions, then place gold lace thru grommets and tie into bow. Apply VELCRO® Fabric Fusion hook and loop fastener to back for closure.

Pirate Sleeves

Cutting:

- Measure circumference of upper arm – Cut 4 pieces elastic 1" longer than upper arm measurement
- Cut 2 rectangle pieces from white fabric "double the upper arm circumference" x 12" (example if upper arm measures 11" then you will cut the sleeve pieces 22" x 12")

Construction:

- Fold in half matching short ends together, stitch ½" seam.
- Press under 1/2" then 1½" on each edge of sleeve piece forming casing. Stitch close to casing edge, leaving an opening to insert elastic.

Ahoy Matey!! Page 2

(Continued)

- Stitch again, $\frac{3}{4}$ " away from outside edge around each end of sleeve. This will create the ruffle edge when the elastic is inserted.
- Insert elastic into opening, overlap ends of elastic and stitch to secure.
- Stitch opening closed

Pirate Skirt & Underskirt:

Cutting:

- Cut skirt from red broadcloth. Cut tulle and broadcloth for underskirt.

Construction:

Follow basic skirt instructions, and underskirt instructions. After completing skirt apply VELCRO® Fabric Fusion hook and loop fastener for closure, then trim lower edge into ragged hem:

- Pin mark a line 5" above skirt hem
- Cut triangles of varying length, highest up to 5" line, to create jagged hem

Pirate Mask

- Trace pirate mask pattern on white foam then cut out.
- Glue strips of sequins on diagonal across length of mask. Glitter between diagonals.
- Cut eye patch from black foam, decorate eye patch with black glitter. Edge with black sequins, glue eye patch on mask
- Attach black sequins to create "string" for eye patch. Edge mask with sequins to finish.
- Apply VELCRO® brand hook and loop fastener Sticky Back™ squares, hook side to back of foam mask. Attach to VELCRO® mask base, or craft store mask base.
