Sailor Top:

Cutting:

- Cut all top pieces from white poplin fabric

Construction:

Follow basic top instructions, apply VELCRO® Fabric Fusion hook and loop fastener to back for closure. Add embellishment:

- Stitch navy bias tape and gold middy braid along upper edge of top after elastic is inserted in casing.
- Space 6 gold military look buttons along front lower bodice. Stitch in place to secure.

Sailor Collar-Scarf:

- Draw a 15" x 9" rectangle on paper. On each end of rectangle, add a 2" wide 20" long extension for ties. Curve lines slightly around extension area creating neckline. Cut 1 from navy broadcloth.
- Finish all edges of fabric, turning under ½" all around the scarf, stitch close to edge to secure.
- Place the white binding ½" from finished edge of back collar and stitch. Position middy braid next to the binding and stitch. Add the sequins next to the middy braid and stitch to secure.

Sailor Skirt and Underskirt:

Cutting:

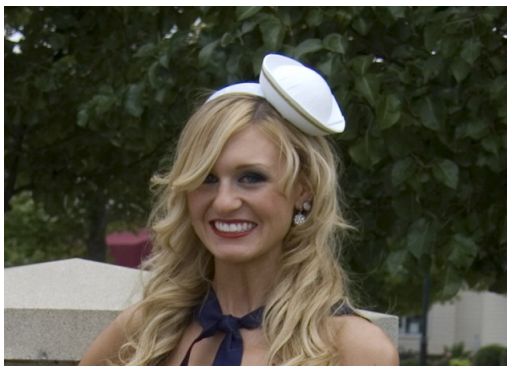

Cut skirt from white poplin fabric. Cut navy tulle and navy broadcloth for underskirt.

Construction:

Follow basic skirt and underskirt instructions. After completing skirt, :

- Stitch navy bias 1" from skirt hem edge, then add sequins next to lower edge of bias trim. Place gold middy braid 1" away from gold sequins, stitch in place.
