#### Ms. America Top:

##### Cutting:

- Cut all top pieces from red sequin shiny fabric.

##### Construction:

Follow basic top instructions. After completing top, apply VELCRO® brand Soft and Flexible Sew On hook and loop fastener to back for closure.

#### Ms. America Skirt and Underskirt:

##### Cutting:

- Cut skirt from royal blue satin fabric. Cut white tulle and white cotton for underskirt.

##### Construction:

Follow basic skirt and underskirt instructions. After completing skirt apply VELCRO® brand Soft and Flexible Sew On hook and loop fastener to back for closure, then:

- Cut star shape out of a plastic folder or piece of cardboard. Place the stencil on the skirt and fill in with glue. Sprinkle with glitter.
- Repeat these steps placing the stars randomly on the skirt until they are evenly distributed all over skirt.
- Let dry at least 24 hours before wearing!

#### Ms America Necklace:

- Cut a 5" circle from white foam and a 2" circle from blue foam. Glue the blue circle in the middle of the white circle. Glue the red sequin trim around the edge of the blue circle.
- Glue a large white star in the middle of the blue circle, glue a large gemstone in the middle of the star. Let dry.
- Cut two pieces of ribbon 18" long. Glue one end of each piece of ribbon to the back of the white circle, positioning so that it lays flat on the neck.
